#### **3.4 INTERPRETATION OF CLASS SPECIFICATIONS**

All class specifications describe typical duties that employees occupying positions in the class may properly be required to perform. Class specifications are explanatory but not restrictive. The listing of particular tasks does not preclude the assignment of other tasks of related kind or character, or requiring lesser skills.

#### **3.5 AMENDMENT**

Notice of consideration of the proposed classification plan amendments or revisions shall be provided to appropriate employees and employee organizations at least five (5) calendar days before change. The classification plan may be amended or revised as occasion requires in accordance with Section 2.16.020(c) of the Poway Municipal Code.

The results of such a review will be forwarded to the City Manager for final disposition. Flat rates may be used instead of salary ranges where appropriate. The rate or pay range assigned to each class shall reflect fairly the differences in the duties and responsibilities among classes, and will take into account rates paid by other public employers for comparable work, the City's policies and financial condition, unusual problems of recruitment and turnover, and other relevant factors.

#### **4.3 ADMINISTRATION OF PLAN**

##### **4.3.1 Rates of Pay**

Each employee is paid a rate of pay within the salary range for the class in which employed, except in cases of reclassification to a lower salary range when a Y-rate may be used (Rule 2.44).

An employee is appointed at the minimum rate for the class, except when the City Manager approves an appointment or reinstatement above the minimum rate. ##### **4.3.3 Merit Salary Adjustments**

Employees may receive merit salary adjustments within the salary range applicable to their class. The purpose of the merit salary increase is to recognize

individual employee performance.

4.3.4 Movement To A Higher Classification

When an employee is promoted or reassigned to a class having a higher salary range, the employee shall be paid at the entrance step of the assigned range. If the entrance step is the same or lower than the employee's current salary, the employee shall be paid at an intermediate rate within the range to be determined by the Department Director, with the concurrence of the City Manager, that will result in at least a 5% pay increase.

4.3.5 Movement To A Lower Classification

When an employee is demoted or reassigned to a class having a lower salary range, the employee shall be placed in the step of the lower salary range nearest to the employee's rate of pay. When an employee's position is reclassified to a class having a lower salary range, the employee shall retain the same rate of pay until such time that the assigned class has a maximum salary rate which is equal to or higher than the Y-rate (Rule 2.42). Employees demoted, reassigned, or reclassified to a lower position shall have no change made in their anniversary date.

Eligibility for subsequent step advancement shall occur thereafter upon completion of 12 calendar months of employment until the employee reaches the top step for his/her classification.

Safety employees hired in as probationary firefighters are eligible for a compensation advancement to the next step after six months of service and for a subsequent step advancement following an additional six months of service and successful completion of their twelve-month probationary period upon the

recommendation of the Department Director and the approval of the City Manager. Eligibility for subsequent step advancement shall occur every twelve months thereafter as defined above.

The normal total time to advance from Step A to Step E would be 3-1/2 years. This period may be modified in conjunction with the performance appraisal recommendations and if approved by the Department Director and the City Manager.

4.4.4 Merit Increases -- Exceptional Performance

An employee may be advanced from Step B to Step C or any subsequent step in the salary range sooner than the normal progression if the employee's performance has been exceptional and the employee's supervisor and Department Director recommend, and the City Manager approves, of the early advancement.

4.5 SALARY RANGE ADJUSTMENTS

Salary range adjustments are effective on the date specified by the City Council. Salary range adjustments are to be distinguished from merit salary increases, as they are not intended to give recognition to length and quality of service. The salary rate of an employee whose salary range is adjusted will be adjusted to the same relative position in the revised salary range.

4.6 PARTIAL PAY PERIOD PAY

Salaries for employees working less than a complete schedule in a pay period shall be computed by multiplying the number of hours actually worked during the pay period by the employee's hourly pay rate.

Examinations shall consist of selection techniques which will test fairly the qualifications of candidates such as, but not necessarily limited to, written tests, personal interviews, performance tests, physical agility tests, medical examinations, or any combination of these or other tests. The probationary period, which may include the evaluation of daily work performance and work samples and the successful completion of prescribed training, shall be considered as an extension of the examination process. #### 13.2.9 Employee Rights And Responsibilities

In addition to others identified herein, employees affected by these procedures shall have the following rights:

- A. Through prior arrangement with his/her immediate supervisor, an employee who has been notified of his/her impending layoff shall be granted reasonable time off without loss of pay to participate in a prescheduled interview or test for other employment within the City. In addition, through prior arrangement with his/her immediate supervisor, an employee may also use accrued vacation leave time to seek and apply for other employment.

- B. An employee who has been laid off shall be paid as provided for in these Rules for his/her unused accrued vacation leave on the effective date of the layoff.
- C. An employee who has been laid off may be allowed to continue health insurance coverage in the group at his/her own cost as provided under federal COBRA regulations. This provision of health insurance will cease if the employee finds other employment. To have this coverage the employee must notify the Personnel Manager in writing within ten (10) days after the receipt of the notification of layoff.
- D. An employee who receives a notice of layoff may displace an employee in the same classification or an employee holding a lower classification in the laid off employee's current job series provided that:
  - 1. He/she has more City seniority than the employee to be displaced.
  - 2. He/she is willing to accept the reduced level of compensation, if any.
  - 3. He/she meets the minimum qualifications for the other classification which are in effect on the date of the layoff.
  - 4. He/she requests displacement action to the Personnel Manager within ten (10) days after receipt of the notification of layoff in the manner prescribed by the Personnel Manager.
- E. When an individual is reinstated he/she shall be entitled to:
  - 1. Retain his/her seniority date.
  - 2. Accrue vacation leave at the same rate on which it was accrued at the time of the layoff.
  - 3. Have any unused or uncompensated sick leave reinstated.

An individual reinstated into the job classification from which he/she was laid off shall be assigned to the same salary range and step he/she held at the time of the layoff. An individual reinstated into a job classification other than the classification from which he/she was laid off, shall be assigned to the salary

range of the new classification at the amount closest to the salary he/she earned at the time of the layoff. An individual reinstated into the classification from which he/she was laid off while still a probationary employee shall complete, upon return to the job, the remaining portion of his/her probationary period, if any, in effect at the time of the layoff and in addition he/she shall complete one (1) month of probation for each month laid off, not to exceed a total probationary period of six (6) months. Similarly, an individual who is reinstated shall complete upon return to the job the same work time he/she would have had to work at the time of the layoff to attain a higher vacation leave accrual rate or to become eligible for a salary step increase, if such changes are possible. An individual who is rehired is not eligible for the provisions of this subsection (13.2.9e) of this Rule.

#### 13.2.10 Appeals

An employee aggrieved by actions taken or interpretations made pursuant to the procedures described in this Rule may exercise the appeal procedures as hereinafter provided in Rule 15. Determinations by the City Manager relative to when and in what classification layoffs are to occur shall not be matters subject to the appeal procedures.

### 13.3 RESIGNATION

An employee wishing to leave City employment in good standing shall file with the Department Head, a written resignation stating the effective date at least two weeks before leaving, unless such time limit is waived by such official. The City will pay an employee for all hours worked within 72 hours after termination and all accumulated reimbursable benefits no later than the nearest payday following termination of the employee. Failure to give notice as required by this Rule may be cause for denying future employment by the City.
