2019 Contract Program Calendar

Dear Contract Instructor Applicant,

Please use the calendar (to the left) when submitting your Contract Program Proposal Form(s). Although exceptions are occasionally made, we ask that you do your best to fit all classes within each season's designated begin and end dates.

Things to keep in mind:

- The colored areas define each season's begin and end dates. For your convenience, each season's begin and end dates are also listed below.
- The blackened dates indicate facility closure.
- Greyed-out dates indicate a holiday and/or scheduled facility maintenance. Before proposing a class or classes on these dates, please contact the Contract Program Coordinator.
- Proposing a class or classes does not guarantee acceptance or facility space.

Summer camps begin the week of June 17 – June 21
